After the successful login, the Admin will enter the Home page and Admin will get the message on the top “Login Successfully”.

Admin gets the two extra features. for adding events and images dynamically on the website.

1. Add Events (for the Upcoming Events page)
2. Upload Images (for the Photo Gallery page)

1. Add Events

Please click the Add Events plus button.

After clicking Add Events plus button, Admin gets a popup form for adding events.

The image shows a web form titled "Add Events" with a close button (X) in the top right corner. The form contains the following fields:

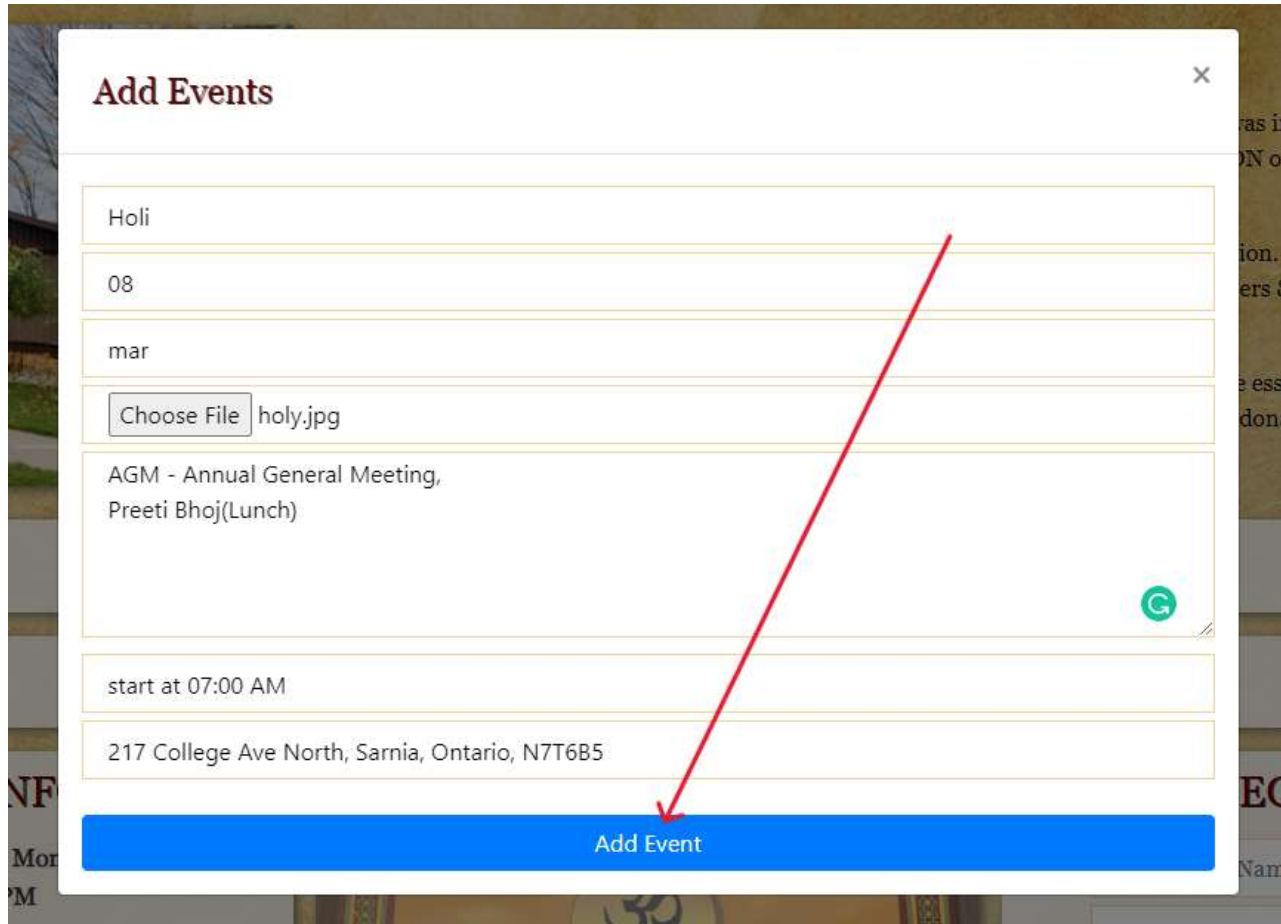

- Title
- Date
- Month
- Image: A button labeled "Choose File" and text "No file chosen".
- Description: A large text area.
- Time
- Address

At the bottom of the form is a blue button labeled "Add Event".

Please fill out the form as per the details given below:

1. Title (Event Name): like "Holi"
2. Date(please enter only Date): like "08"
3. Month(please enter the month name shortly): like "mar"
4. Image(Accept Formats - PNG, JPG, JPEG / Accept Size - less than 1 MB)
5. Description(write whatever you like it): like "some activities"
6. Time(write event time): like "start at 07:00 AM"
7. Address(write event address): "217 College Ave North, Sarnia, Ontario, N7T6B5"

After filling out the form, please click the add event button.

The screenshot shows a web form titled "Add Events" with a close button (X) in the top right corner. The form contains several input fields: a text field with "Holi", a date field with "08", a month dropdown with "mar", a file upload section with a "Choose File" button and the filename "holy.jpg", a text area with "AGM - Annual General Meeting, Preeti Bhoj(Lunch)", a start time field with "start at 07:00 AM", and an address field with "217 College Ave North, Sarnia, Ontario, N7T6B5". At the bottom of the form is a prominent blue button labeled "Add Event". A red arrow originates from the top right of the form and points directly to the "Add Event" button.

After clicking the button Admin will get the message on the top “Add Event Successfully”. And after some seconds admin will get the newly added event. And then the Admin can delete it.

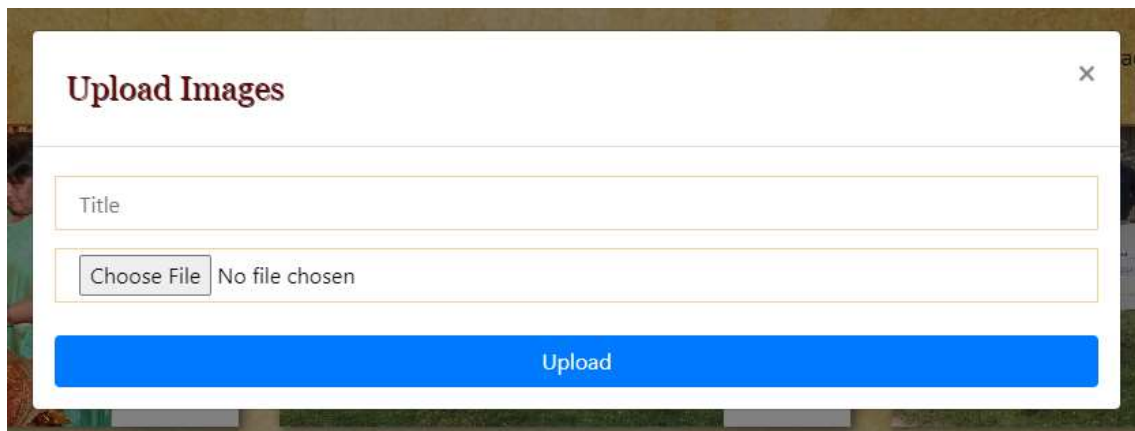

2. Upload Images

Please click the Upload Images plus button.

After clicking the Upload Images plus button, Admin gets a popup form for Upload Images.

A screenshot of a popup form titled "Upload Images" in a dark brown font. The form has a white background and a dark brown border. It contains a text input field labeled "Title" with a light beige background. Below this is a file selection area with a "Choose File" button and the text "No file chosen". At the bottom of the form is a large blue button labeled "Upload". The form is set against a background of a photo gallery.

Please fill out the form as per the details given below:

1. Title (Image Name): like "Diwali-Image-1"
2. Image(Accept Formats - PNG, JPG, JPEG / Accept Size - less than 3 MB)

After filling out the form, please click the Upload button.

After clicking the button Admin will get the message on the top “Add Image Successfully”. And after some seconds admin will get the newly added Image. And then the Admin can delete it.
